OUR STORY

The three-year dream of opening The Cookery was fulfilled the summer of 2013. The Cookery, in addition to serving coffee, breakfast, lunch and dinner, providing catering, hosting monthly movie nights and offering event space rental, **has a greater purpose.** In The Cookery's kitchen, formerly homeless students are trained and equipped in culinary techniques, including certification in a nationally recognized food safety program—in order to prepare them for employment in Nashville's food industry. The high standards set by The Cookery in matters of personal and culinary excellence, has led to trust and positive influence within the community. **The Cookery is a nonprofit venture, with all revenue going back into Lambscroft Ministries programs to serve Nashville's homeless and needy.**

Visit us at www.thecookery.org or www.lambscroft.org to learn more. For any catering questions, please contact us at 615.296.2911 or at info@thecookery.org.

“Through all of this God has taught us perseverance, resilience, patience, and trust”
